

Introducing a New Platform of Productivity:

Copitrak/Lexmark Embedded Cost Recovery Solution

**Lexmark MFPs with Copitrak
bring productivity tools closer
to the user.**

Lexmark X646dte

- Track scans, copies and faxes directly from the MFP touch screen
- No additional server hardware needed
- Track impressions quickly and efficiently by utilizing familiar Copitrak features like Last Job Recall and Favorites

Copitrak cost recovery products are being used by more than 4000 professional firms around the world. They are industry leaders providing law firms with total cost management. Copitrak and Lexmark are now working together to bring legal customers a new level of service.

Law firms can now deploy Lexmark distributed multifunction products to their users without sacrificing their investment in Copitrak and the accounting accuracy that they are accustomed to receiving. Expense management in the law firm has never been easier.

The award-winning Lexmark MFPs have now been enhanced to include the Copitrak solution, all emulated on the Lexmark touch screen.

LEXMARK

Make every hour count.

Your attorneys and staff are driven to make nearly every hour count and to keep costs down. Lexmark can help your firm meet these objectives by bringing productivity tools closer to the user.

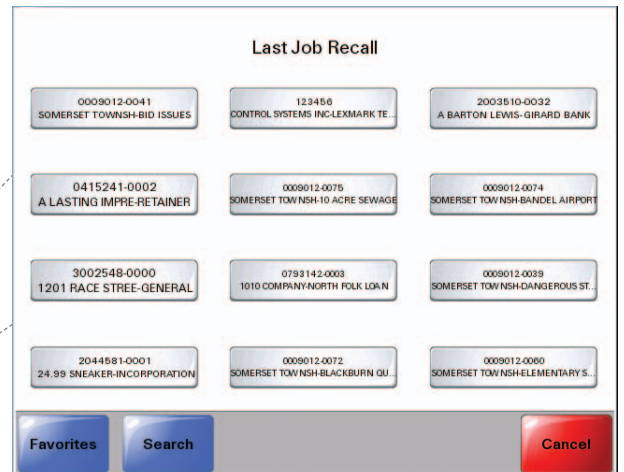

Our multifunction printers have easy-to-use features that are designed to help improve productivity and efficiency in managing both paper and electronic documents. In addition, the printers can be located close to the end user, offering your staff the convenience of using one device for a variety of office tasks.

You want solutions that help you can get on with your firm's business. That's where we come in. Lexmark has been helping top law firms manage documents effectively. With our industry focus, we can help you print less, move documents faster, and manage output across your firm.

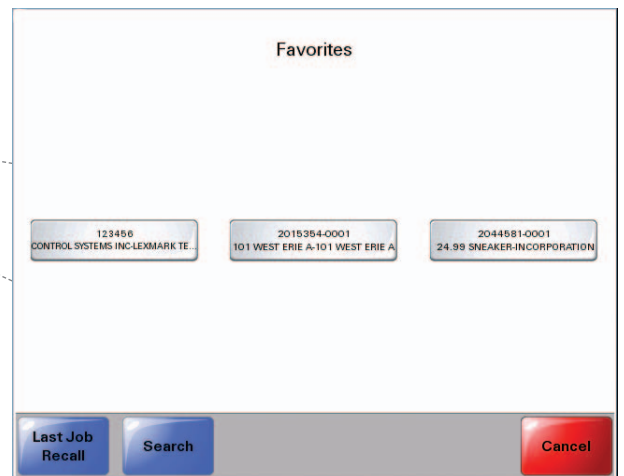

Every day, Lexmark color and monochrome multifunction devices go to work for some of the world's most important companies. And their performance hasn't gone unnoticed.

The Award-Winning Lexmark X646dte
