

Get first page Google Ranking

Did you know that over 80% of Google users don't go beyond the 2nd page in a Google search?

If you aren't on the first page of a Google search, do you you know how much business you are missing out on?

Pahoda Image Products would like to introduce you to our "SEO Solutions Package" which can get you first page placement on Google for any keyword phrase. How is this possible?

Page Ranking

Getting high page ranking is a result of choosing a correct URL, getting other pages linked to your site, having the proper proportion of keywords, having the correct placement of keywords and having enough site content to beat your competition.

What Does Pahoda Image Products Do?

- Help select keywords
- Evaluate your competition
- Build a site with enough content to win against the competition
